The screenshot shows a web browser displaying a Credly badge page. The URL in the address bar is credly.com/earner/earned/badge/c8d58697-ad16-42ca-ad8b-275ac3a6fe85. The page features the Credly logo and a search bar. Below the header, a notification states: "This badge was issued to [Saketh Bharadwaj KH](#) | [View celebrations](#)" and "Date issued: April 22, 2026". A "Share" button and a menu icon are also present. The main content area displays the badge itself, which is a shield-shaped emblem with the AWS logo, the word "EDUCATE", and the text "Getting Started with Serverless TRAINED". To the right of the badge, the title "AWS Educate Getting Started with Serverless - Training Badge" is shown, followed by the issuer "Amazon Web Services Training and Certification". A description states: "Earners of this badge have completed the Getting Started with Serverless training and achieved the required scores on the post-course assessment. They have demonstrated the ability to describe how to configure an AWS Lambda function and identify services like Amazon". A "Learn more" link is provided. At the bottom, a "Skills" section lists four categories: "Amazon Web Services (AWS)", "AWS Cloud", "Serverless", and "Serverless Computing".
